**CONNECTICUT PUBLIC SCHOOL
LESS THAN HALF-TIME CONTRACTUAL EMPLOYMENT**

Section 10-183e(10) of the Teachers' Retirement Act allows members of the Teachers' Retirement System to purchase forty or more days of contractual service rendered at less than half-time, in a single school system within the state of Connecticut in any school year. In accordance with Public Act 02-117, effective July 1, 2002, the full-time equivalent of eighteen days of such service shall equal one month of credited service.

Examples for certified contracted teachers working less than half-time in a permanent position

- 40% Full Time Equivalency (FTE) for school year: $.40 \times 180 = 72$ days divided by 18 = 4 months of purchasable credit.
- 450 hours worked divided by full time hours = FTE $\times 180$ days = 64 days divided by 18 = 3 months of purchasable credit.

If a teacher was employed an average of half-time or greater, in lieu of this form, we require a letter from the school district which includes the dates of employment, contract salary as if they had worked full time, annual salary rate: contract salary / 10 X number of months (to be eligible for purchase the member must have been employed on the first working day of the month) Example: 12/15/2005 – 6/30/2006 would be 6 months, percentage of full time employment (50%, 60% 80% etc.) and the reason why contributions were not submitted.
